Michelle Tran
Full Stack Web Developer

Registered Nurse transitioning into a web development role after completing Rutgers University Bootcamp. My experience in the nursing field provided me with a solid foundation of valuable soft skills that applies to development. As a focused and avid learner with a proven ability to think critically and work in collaboration with others, I am eager to obtain a position as a full stack developer.

EDUCATION

Full Stack Flex Program (Student)   November 2022 – February 2023
